

PET100 Electric Fence Energiser

PTE2237

Overview:

The PET100 Electric Fence Energiser makes animal control a breeze. Its small rugged design makes it ideal for strip grazing and pet control, but it also packs enough punch to be great in small permanent electric fence setups.

Features:

- Simply safe and easy to setup
- 12V Battery, Mains or Solar powered *
- Small size makes it great for portable systems
- Reverse battery protection
- Highly efficient and intelligent digital circuit
- Warns you when the battery is low
- Power surge protection
- UV stable enclosure
- Ant and moisture protection

* Solar panel not included

Specifications:

Output	Peak Voltage: Peak Energy:	11 kV 110 mJ
Size	Height: Width: Depth:	127 mm 80 mm 53 mm
Weight	Product: Packed:	330 g 730 g

Package Contents:

- PET100 electric fence energiser
- Battery leads
- Mains power adapter
- Fence Leads
- Instructions

Warranty:

12 month Manufacturers Warranty, negotiable
